OFFICE OF LEGAL  
COUNSEL

Reference is made to the letter dated June, 19, 2012 from Jeff Jordan of the Federal Election Commission to the registered agent for service of CBS Outdoor Inc. ("CBS Outdoor") in Jefferson City, Missouri, with regard to a complaint lodged with the Commission against CBS Outdoor.

That letter provides that we must provide our response within 15 days of receipt thereof. CBS Outdoor's agent for service received the letter on June 25, 2012. Unfortunately the letter was not received by CBS Outdoor until June 29, 2012. With the intervening legal holiday and the need to gather information from the field, it appears that we will not have sufficient time to formulate an appropriate response by the designated submission date. Therefore, on behalf of CBS Outdoor, I request an extension of up to thirty (30) days to formulate and submit our response. Please let me know as soon as possible whether our request has been granted.

I would also like to inform you that we have not determined yet whether we will be retaining outside counsel on this matter or will provide our response through in-house staff. We will let the Commission know promptly should we decide to retain outside counsel.

Thank you in advance for your courtesy and anticipated prompt response.
